

Come Join us!

...on Monday, November 30th 2009

The St. Michael's Playground Inspiration Committee are planning to meet on Monday, November 30th to discuss the next stage in our rejuvenation process for the grounds. We're always looking for new ideas on how to make our grounds a place for everyone to enjoy. You'll also have the opportunity to provide your input on how to spend the generous donation of \$3500.00 that was received last spring from TD Canada Trust Friends of the Environment Foundation. If you have an interest in participating in these discussions, please feel free to join us in the Library at 6:00 pm.

Please continue to support School Council's fundraising activities, from Hot Lunches, Dances, BBQs and Silent Auction. These events continue to help us provide funding for our playground initiative.

Thank you for your participation and support. St. Michael's School Council
